SignMax v10

SIMPLE SIGNDESIGN
QUICKLY & WITHOUT PRIOR KNOWLEDGE
- WITH THE ASSISTANT „WIZARD"!

The SignMax v10 is a very powerful and easy to use sign software. The program combines creativity with ease of use. The thought-out user interface with its intelligent features, such as the design assistant "Wizard", offers valuable tools for developing signs and labels quickly and cost-effectively in just a few steps without any prior knowledge.

The SignMax v10 forms the basis for every company, laboratory and office to equip it with individual markings. Employees who do not have previous knowledge of safety labeling can now learn the necessary skills and handles in a short time and simply implement them themselves.

The SignMax software is also available as a server version!
Just talk to us. We will be happy to advise you.

· Large Pictogram and ClipArt Library
With many sign templates and safety markings.

· Design assistant "Wizard"
For simple sign design without previous knowledge.

· Free Pictogram and ClipArt Updates
New pictograms always according to the latest standards and requirements.

· Free Live Support
If you have any questions, please do not hesitate to contact us.

· Free SignMax Workshops
All over Germany, online or on site. Spend an informative day with us in a relaxed atmosphere.
